

# ARTHUR FINDS LOTS OF WAYS TO HELP THE PLANET.

Circle the number next to each of the activities you can do to help turn your own world green!

## TURN YOUR HOUSE GREEN

1. Find a way to reuse things rather than throwing them away.
2. Turn off your computer at night and use the sleep mode when not in use.
3. Unplug cell phone chargers when not in use.
4. Use cloth napkins instead of paper ones.
5. Plant a tree to celebrate a special family event.
6. Walk, carpool, ride your bike, or take a bus to school.
7. Turn off lights when no one needs them.
8. Turn off the water when brushing your teeth.
9. Take short showers, and turn off the water while soaping up.
10. Use fluorescent light-bulbs.
